Ben,

Attached is an informal memorandum prepared by the Review Staff in response to your request for a paper on the question and problems of continued employment

It has been prepared in this informal fashion as we feel there should be some roundtable discussions in OP, and perhaps with OS, as to what we really want to do or can do in this area. We, of course, do not know "what" forms basis for OS turndowns, recommendations or opinions but we do feel strongly the case by case approach has too many built-in inequities.
